

Ag Awareness Day Fact Cards

As the agricultural communications practicum student, I made these ag fact cards in Canva for several College of Agriculture organizations to give out during the Ag Awareness Day during Ag Week 2017.

Agriculture is
Alabama's
LARGEST
industry.

It generates
more than
\$70 billion
for the state.

UAVs give
farmers
new ways
to
increase crop
yields
and
monitor crop
health.

Americans eat
an average of
3.4 pounds
of
fresh
strawberries
every year.
