

## 2017 Alabama Forage Conference

For this two-day event I was responsible for promoting and creating interest on social media. I created a Facebook event and posted weekly posts and graphics.

I promoted conference speakers with their picture and a short write-up about them. I promoted conference sponsors with graphics that I created on Canva.

Conference Sponsors:

Thank you for  
sponsoring the 2017  
Alabama Forage  
Conference.
